EMPOWER BY ESCALATOR

SOFTWARE AND PRACTICES FOR PREPARATION AND DISCOVERY IN RESEARCH

9 June 2022
11:30 - 13:00 SAST

REGISTER

A programme specifically designed for women in Humanities & Social Sciences in South Africa

Are you a researcher or student in Humanities or Social sciences in South Africa? Keen to grow your digital and computational skills but not sure where to start?

On 9 June 2022, **Dr.Anne Treasure** & **Anelda van der Walt** will take us through the Preparation and Discovery phases of the research life cycle. This will touch on research ideas & research priorities, project management, funding, data management, and searching, reviewing and annotating material researched and much more!

Become part of our community of technology empowered women!
